## Santen Wins Award for Excellence at the “Nikkei Integrated Report Award 2021”

Santen Pharmaceutical Co., Ltd. (Head Office in Osaka, hereinafter “Santen”) announced today that it won the Award for Excellence at the Nikkei Integrated Report Award 2021 hosted by Nikkei Inc.

Santen has been publishing an integrated report (“Santen Report”) to help shareholders, investors and all other stakeholders understand Santen’s strength and how it creates mid-to long-term value in an easy-to-understand manner.

Based on the WORLD VISION “Happiness with Vision” and Santen’s long-term vision “Santen 2030” for 2030 and beyond, Santen is making strides toward becoming a Social Innovator that orchestrates and mobilizes key technologies and players around the world to deliver happiness through vision. In the “Santen Report 2021” for the year ended Mar 31, 2021, Santen explained mainly new Medium-Term Plan up to fiscal 2025 to realize this vision, in addition to strategy to resolve eye-related social issues, ESG initiatives and others both from financial and non-financial aspects.

Santen will continue to contribute to society and increase corporate value by actively disclosing information and engaging in beneficial dialogue with shareholder, investors and all other stakeholders to broaden understanding and build trust of Santen.
