

## Santen Publishes its Annual Integrated Report “Santen Report 2022”

October 14, 2022, Santen Pharmaceutical Co., Ltd. (Head Office: Osaka; hereinafter “Santen”) today announced the release of the “Santen Report 2022” (Integrated Report for the fiscal year ended March 31, 2022) in both English and Japanese versions, comprehensively covering both financial and non-financial information. Based on dialogue with a range of stakeholders, the report sets out Santen’s management policy—which has been formulated from a long-term perspective to work toward value creation—and describes progress on strategic initiatives in Santen’s medium-term management plan (MTP2025), towards realization of Santen’s long-term vision Santen 2030. The report can be accessed on Santen’s investor relations website (<https://www.santen.com/en/ir/document/annual.jsp>).

As a company specializing in eye health, Santen aspires to create a world where each person can live their happiest life through the best vision experience. Santen will continue to help reduce the loss of social and economic opportunities resulting from eye conditions by providing solutions in ophthalmology, by promoting people to pursue eye wellness and by creating a society that is inclusive regardless of visually impaired. Santen will continue to engage constructively with stakeholders while working to enhance corporate value through realizing “Happiness with Vision.”
