- (2) If symptoms do not improve after 5 to 6 days of use

Dosage / Administration

Use 1 to 3 drops of this medicine at a time 5 to 6 times a day.

● **Please observe the following precautions.**

- (1) Excessive use may cause abnormal sensitivity to light and may even cause red eyes.
- (2) If administered to a child, the product must be administered under the direction and observation of the child's guardian.
- (3) Do not let the tip of the bottle touch your eyes, eyelids or eyelashes (doing so could cause the solution to become contaminated with eye mucus or bacteria). Do not use the product if it does become contaminated.
- (4) Do not use the product while wearing soft contact lenses.
- (5) Use only as an eye drop.

Indication

Ophthalmia due to light rays such as ultraviolet rays (e.g., snow blindness), blepharitis (soreness of eyelids), prevention of eye disease (after swimming, when dust or sweat enters the eyes, etc.), eyestrain, itchy eyes, bleary eyes (increase in eye mucus, etc.), conjunctival congestion, discomfort while wearing hard contact lenses

Ingredients and Quantity

Ingredients	Quantity	Action
Zinc sulfate hydrate	0.25%	Promotes repair of damaged tissue and suppresses inflammation.
Chondroitin sulfate sodium	0.5%	Protects the cornea and moisturizes the eyes by preventing evaporation of tears.
Taurine	0.5%	Activates cell metabolism of eye tissue.
Vitamin B ₆ (pyridoxine hydrochloride)	0.1%	Activates cell metabolism of eye tissue.
Panthenol	0.05%	Activates cell metabolism of eye tissue.
Potassium L-aspartate	0.5%	Increases tissue respiration in the eyes.
Neostigmine methyl sulfate	0.005%	Improves conditions such as eyestrain by improving the focus adjustment mechanism of the eyes.
Chlorpheniramine maleate	0.03%	Suppresses inflammation and itchiness of the eyes by suppressing histamine activity.
Epsilon-aminocaproic acid	1.0%	Suppresses production of substances that cause inflammation.
Tetrahydrozoline hydrochloride	0.05%	Suppresses congestion of the conjunctiva (the whites of the eyes).

This product contains the following excipients: edetate sodium hydrate, chlorobutanol, geraniol, boric acid, sodium hyaluronate, polysorbate 80, d-borneol, l-menthol, isotonicizing agent, and pH-adjusting agent.

Precautions regarding storage and handling

- (1) Store in a cool place away from direct sunlight and keep sealed. To preserve the quality of the product, do not leave it in a hot place such as inside a car or near a heater. If the product is left in a hot place, the bottle may become warped, causing the solution to leak and degrading its quality. Please do not use the product in such a case.
- (2) Keep out of reach of children.
- (3) Do not transfer the solution to another receptacle. (Doing so may lead to misuse of the product or may affect its quality.)
- (4) Do not share the product with another person.
- (5) Do not use the product if it has exceeded its use-by date. Even before the use-by date, please use the product as soon as possible after opening the bottle.
- (6) Depending on the conditions of storage, the ingredients may crystallize and form white deposits around the inside of the bottle's tip or on the inside of the cap. If this occurs, gently wipe off the deposits with a clean piece of gauze before using the product.

Content 12mL

[Out of consideration for the environment, a carry bag is not included. Your kind understanding is appreciated.]
