Akira Kurokawa	3,175,381	46,126	4,483	97.86%	Approved
Shigeo Taniuchi	3,177,014	44,493	4,483	97.90%	Approved

Note 1. The requirement for the passage of a resolution for each item is as follows:

Proposal No. 1 The affirmative vote of majority of the shareholders, present at the Meeting, with voting rights and entitled to exercise such voting rights.

Proposals No. 2 and No. 3: The attendance of shareholders representing one-third or more of the voting rights of the shareholders entitled to exercise such voting rights, and the affirmative vote of the majority of such shareholders present at the Meeting.

Note 2. The ratio of the affirmative votes shows the ratio of the number of voting rights identified as having voted on the affirmative against the total number of voting rights held by the shareholders who were present (including those who had exercised the right prior to the Meeting and those who were present on that day).

(4) The reason why a part of the number of the voting rights of the shareholders present at the Meeting were no longer added to the number of the voting rights:

Since it was obvious, from a calculation of the total number of voting rights that were exercised prior to the day of the Meeting and the number of the voting rights of the shareholders (among those present that day) identified as having voted either in the affirmative or not with respect to each item, that the resolution was lawfully made pursuant to the Companies Act, and had complied with the requirement for each item for resolution, the number of the voting rights held by the shareholders (among those present that day) that were not identified as having voted either in the affirmative or not for each item, or as having abstained from the voting, were no longer added.

End.
